✉ kiranyousaf535@gmail.com

📍 Iqbal Town, Lahore

## PROFESSIONAL SUMMARY

Motivated Computer Science graduate with a strong foundation in software development and technical documentation. Experienced in full-stack web technologies and cloud based automation through professional training and remote internships. Seeking a Research Assistant position to contribute to innovative projects and support academic research in the Computing and Innovation department. I also had a very strong communication skill because I worked as a first desk officer in a well known Private College.

## EDUCATION

- **Bachelor of Science in Computer Science (BSCS)** | Lahore College for Women University (2020-2024)
- **Intermediate (Pre-Engineering)** | Punjab College, Lahore (2018-2020)
- **Matriculation (Science)** | Himayat-e-Islam, Lahore (2016-2018)

## WORK EXPERIENCE

Astoé Company | Dec 2024 - Feb 2025

### Web Development Intern

- Collaborated with a team of 5 developers to engineer responsive web interfaces for diverse client projects.
- Conducted technical documentation and implemented best practices for cross browser compatibility and web accessibility.
- Participated in weekly code reviews and agile cycles, consistently meeting high quality code standards.

Concordia College | Mar 2025- Feb 2026

### Front Desk Officer

- I worked as a first desk officer at Concordia College for 1 year. That gives me experience on how to deal with different types of people with patience and kindness.

## SKILLS

**Programming Languages:** C++ (Intermediate), JavaScript (Basic), HTML/CSS (Intermediate)

**Research & Tools:** Technical Documentation, Data Management, Visual Studio Code

**Cloud & Productivity:** Microsoft Office Suite

**Professional Skills:** Problem Solving, Team Collaboration, Time Management

## **INNOVATIVE PROJECTS**

- Budget Tracker Web Application

Engineered a web-based tool to manage income and expense databases. Implemented data storage solutions using Google Sheets to ensure real-time data integrity.
