OBJECTIVE

Dedicated and motivated individual seeking an entry level opportunity in a dynamic organization where I can contribute through strong communication, problem solving, and organizational skills. Eager to learn and grow within roles such as operations, sales, customer service, or accounts to support team and business success.

EDUCATION

Master Of Commerce | University Of Central Punjab

10/2016-11/2018

Specialization In Accounting & Finance

Associate Degree Program | University Of Central Punjab

10/2014-10/2016

Specialization In Accounting & Finance

EXPERIENCE

Ecommerce Consultant | Freelancing

04/2021 - Present

Assisted multiple clients with product listing, account handling, and overall store management.

Conducted product and market research to understand customer demand and improve sales strategies.

Created clear and attractive product descriptions, helping improve listing quality and conversions.

Provided complete guidance to clients for setting up online stores on platforms like Amazon and Daraz.
